Home Learning Year 1

Hello Year 1, here is your home learning for this half term. Choose an activity from the grid and colour the square when you have completed the task.

Share your completed grid for a reward.

Practise writing the numbers 0 to 9 correctly. Perhaps you can make some number cards with illustrations.	Find out about an animal that hibernates in the winter. Draw a picture of your animal. Can you write a fact about your animal?	Draw or paint a winter or autumn picture.
Go on Spelling Shed at least 3 times per week.	Practise writing the letters of the alphabet. Play alphabet I Spy. How many things can you see beginning with a letter of the alphabet?	Watch a weather forecast on the television. Try and make your own weather forecast.
Make a rain gauge or weather vane. Ask Mrs Long for instructions.	Go on Mathletics at least 3 times per week.	Read at least 5 books to an adult.
